## ハイレベル構文

### Unit 17 仮定法過去

#### 解答編

模範解答以外にも正解はあります。まずは押さえるべき構文と単語をしっかり取れているかを確認しましょう。

#### STEP 2

01	If I were in your place(shoes), I wouldn't take that position.
02	If he remembered me, he would come to talk to me.
03	If he weren't here, we would face a more difficult situation.
04	If we had more time, we could solve the problem.

#### STEP 3

01	If this qualification were better known and more acknowledged(accepted), more people would take the examination.
02	Imagine how you would feel if you were suddenly blind (if you lost your sight) in this dim world.
03	If the theory that I mentioned were wrong, many other laws of physics would likewise be wrong.
