## ハイレベル構文

### Unit 18 仮定法過去完了

#### 解答編

模範解答以外にも正解はあります。まずは抑えるべき構文と単語をしっかり取れているかを確認しましょう。

#### STEP 2

01	If he had practiced harder, he might have succeeded.
02	If he had not been so busy, he could have taken the project.
03	You should have overlooked such a small problem.
04	You need not have blamed him in such a manner.
05	If she had not read his article, she might not be taking a philosophy course now.

#### STEP 3

01	If they had adhered(stuck) to their intuitions, they wouldn't have reached the solution.
02	I should have let them know(told them) in advance (beforehand) that those were fragile.
03	Considering our medical expenses, we need not have purchased the expensive insurance plan.
